Dated: July 12, 2018.

COMES NOW, Plaintiff, named above, by and through her counsel of record, MICHAEL P. BALABAN, ESQ., and Defendant, named above, by and through their counsels of record, KEVIN D. HARLOW, ESQ. and LAWRENCE J. SEMENZA, III, ESQ., hereby provide notice that the Parties have reached an agreement in principle to settle this matter, and are in the process of finalizing a settlement agreement. However, due to the 21-day consideration and 7-day revocation periods required by the Age Discrimination in Employment Act and Older Workers' Benefits Protection Act, it is unlikely that the parties will have an enforceable settlement agreement in advance of the dispositive motion deadline currently set for July 23, 2018. Accordingly, the parties jointly stipulate and request that all pending deadlines in this matter be continued so that neither party is prejudiced in the unlikely event that the parties are unable to finalize a settlement agreement. The parties will file a status update no later than July 31, 2018, unless a dismissal is filed before that time.
